

CAMBRIDGE CERTIFICATE

If you need to prove your command of the English language (for a job, an internship abroad, applying to university...) the Cambridge Certificate might be one of the certificates accepted by a university or other institute.

You can prepare for the exam here at school! We will meet weekly or bi-weekly (whatever you need) and work with the materials provided by Cambridge English (which you will have to purchase).

The exam itself can be taken at the Fremdsprachenzentrum Bremen.

You can find further information about the certificate and the exam here: <http://www.cambridgeenglish.org/de/>
